PART I.

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 4th December 1911.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

APPEAL No. 13 OF 1911-12.

Appellant	*Vs.*	*Respondent*
Mari Gowda, son of Linge Gowda, of Sarvamanya Chekkur, Heggaddevankote Taluk.		Dodde Gowda, Patel of Chekkar.

Subject.

Appeal against the order of the Deputy Commissioner of the Mysore District, declining to recognise the appellant's claim to the pateli office of the Chekkur village, Heggaddevankote Taluk.

Facts of the case.

The Sarvamanya village of Chekkur was taken under Government management in 1904. Sometime before that date the Inamdar appointed the respondent as Patel, dismissing the appellant who had until then discharged the pateli duties. The appellant petitioned the Sub Division Officer complaining that he was dismissed by the Inamdar on the simple ground that he did not properly cultivate the Inamdar's lands, but that his claim to the heriditary office could clearly be established from the letters of the Inamdar in his possession. The respondent also based his claim to the hereditary office on documentary evidence, chiefly the order of the Sub-Division Officer, Hunsur, dated the 14th May 1879, recognising his father's claim to the pateli.

On 17th August 1909, the Sub-Division Officer rejected the appellant's claim and held that as the respondent had been doing the pateli duties, no change was necessary. In appeal, the Deputy Commissioner confirmed the decision of the lower court. The present appeal, which has been withdrawn from the Revenue Commissioner's file, is against the above order.

The case came on for hearing on 10th November 1911 and the parties were represented by Messrs. K. Ramaswami Iyengar and B. Nanjundayya, Advocates.

Decision.

There is no second appeal allowed to the Revenue Commissioner in a case like this, as it does not fall under the proviso to Section 17 of the Village Offices Regulation. This appeal is accordingly dismissed.

No. R. 3510—L. R. 267-11-1, DATED BANGALORE, 4TH DECEMBER 1911.

ORDER THEREON.—Copy of the above is forwarded to the Revenue Commissioner in Mysore with the connected records forming enclosures to the Deputy Commissioner's report No. 720, dated 20th April 1911.

Proceedings of the Government of His Highness the Maharaja of Mysore.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

APPEAL No. 7 OF 1911-12.

Appellant	Vs.	Respondents
Sivalingappa Gowda, son of Ramappa Gowda, residing at Kamarur village, Jadera Magani, Sorab Taluk.		1. Ramappa Gowda. 2. Mallaiya Gowda (brother of 1st respondent). 3. Gaddidappa (adopted son of 2nd respondent).

Subject.

Appeal against the order of the Deputy Commissioner of the Shimoga District, declining to recognize the appellant's claim to the pateli office of the Kamarur village, Sorab Taluk.

Facts of the case.

The 1st respondent, Ramappa Gowda, was the registered patel of the village till 1878 when the baraward was transferred to his brother, the 2nd respondent, as he did not find it convenient to attend to the work. The appellant, 1st respondent's eldest son, was at the time a child. The 2nd respondent continued to be patel throughout until a few years ago when he took the 3rd respondent, one of the 1st respondent's six children, in adoption and duly transferred the baraward to him. In September 1908, the appellant instituted a regular suit in the Court of the Deputy Commissioner of the Shimoga District for a declaratory decree that he being the eldest son, should succeed to the office after the 1st respondent's death under the rule of primogeniture, that his claim to the office would remain unaffected by the duties being discharged by the 2nd and 3rd respondents, and that the appointment of the 3rd respondent as patel was void.

2. The 1st respondent stated that he did not collude with the 2nd respondent to deprive the appellant of his claim to the office and that he had no objection to the office being transferred to him. On the other hand, the 2nd respondent asserted that the transfer of the office to him in 1878 was absolute and that as he had properly adopted the 3rd respondent, the registry of the office in his name was legal.

3. In his order dated 30th August 1910, the Deputy Commissioner decided that the suit was time-barred and remarked that the parties were members of an undivided family, that the transfer of the office in 1878 to the 2nd respondent was absolute and that the rule of primogeniture was not invariably applied to the nomination to pateli offices where individual fitness was an indispensable requisite.

4. The present appeal, withdrawn from the Revenue Commissioner's file, is against the above order.

5. The appellant was represented by Mr. Veerabasavaiya, and the 2nd and 3rd respondents by Mr. L. Srinivasa Iyengar; and they were heard on the 7th November 1911.

Mr. L. Srinivasa Iyengar admits that the brothers were undivided in 1878 when the hak was transferred, and states that no formal division took place but that parties lived and enjoyed the properties separately.

Decision.

The suit was a very ill-advised proceeding on the part of the plaintiff. The plaintiff's father was still alive and the plaintiff has therefore merely sued for a declaration that he is by primogeniture entitled to the office. If the cause of action arose in 1878, from the date of relinquishment in the 2nd defendant's favour, the suit is clearly out of time as it was not brought within six years (Article 120), or within three years of the plaintiff's attaining his majority.

Land Revenue, dated 4th December 1911.

2. If, as alleged and as is probable, the family still remains undivided, the holding of the office by one member cannot be adverse to the interests of another. The plaintiff has not shown that primogeniture is the invariable rule of succession in regard to this office and so his prayer for a declaration of right on this ground has rightly been rejected.

3. It may be open for the plaintiff to urge his right to succession under the provisions of the Village Offices Regulation, either at his father's death or whenever there is a regular vacancy in the office, but he has not made out any case for a declaratory decree.

4. It may also be observed that such suits are altogether inadmissible after the Village Offices Regulation came into force.

5. The appeal is dismissed.

No. R. 3513—L. R. 265-11-1, DATED BANGALORE, 4TH DECEMBER 1911.

Copy of the above is forwarded to the Revenue Commissioner in Mysore, together with records forming enclosures to the Deputy Commissioner's docket No. 658, dated 24th March 1911.

Letter No 5745, dated the 2nd November 1911, from the Revenue Commissioner in Mysore, forwarding a copy of the statement of cattle mortality for the year 1910-11, with a copy of his review thereon.

(ENCLOSURE.)

"Recorded.

"2 It will be seen from the accompanying consolidated statement that the total mortality during the year was only 75,226 as against 84,191 during the previous year. It is gratifying to note that the mortality for the year 1910-11 is the lowest for the last two decades

"The number of deaths due to sickness also fell considerably, being 32,059 during 1910-11 as against 36,366 during 1909-10. This was due mainly to the good seasonal conditions of the year and to the abundance of water, and fodder, and also, to some extent, to the efforts of the Civil Veterinary Department in checking the spread of cattle diseases and in instructing the people in the scientific methods of treatment of sick animals.".
